“ I only knew Craig through a prayer group on FB, My Cross Daily. He was a kind, witty man and I prayed many many prayers for his healing. Prayers answered... just not the way we wanted but oh man, it's the way he wanted. May God bless his precious family. I will miss his post and his wit but I will know him when we meet & I don't believe it will be long! Thank God for Craig Ross and for his perfect healing. Amen.

I will miss you! Cousins don't see each other as they did in earlier times when families lived closer. The memorial service was wonderful! I hope I can get a tape or CD if it was recorded. Mother followed you. She was so lonesome for those who had already gone to their forever homes. We love you! Cousin Carolyn

“ I remember when Craig came to Crosswell elementary school, I think it was 5th grade maybe 6th. There were connections from my family to his thru our Moms, they were friends growing up in Arial together. Craig and I became friends there. I last saw him at the most recent high school reunion, he raised a wonderful family and was a good person. Glad to have had the privilege of calling him a friend.

Craig was the grandson of my mother's oldest sister. He was always so pleasant. I kept in touch and visited him as often as I could during this long and uncertain time of hoping to be better. He never complained and appreciated everything anyone did for him. He loved his family and we all loved him. I hurt when he had to leave us, but he's going to get a wonderful reward for his precious, humble life! God bless his sweet children. My mother left us the day after Craig did. So many loved ones are together there now. No more heartaches and sickness.no more death!! God is good! I praise him for letting us have Craig in our family!
