“ Where do I start the ray of sunshine, the huge smile, on your worst day her love made you smile!! I've known her and her family for years, we would all go to church together, then come back to have Sunday dinner. She will be missed, but I know where she's at and Praise God she's at peace. Love you Sweet Friend. I will see you again', Promise.

“ Wanda’s Mom Virginia Ray Hendricks and my Mom Flora Ellen Ray Gilliland Berry were sisters. I have many fond memories of all the Ray Family’s get togethers as they were called. Those were a lot of good times. Wanda was one of the many younguns in our family circle during our growing up years. As with all families we all went our separate ways and lose touch with each other. It’s sad news to hear of Wanda’s passing, but I’m sure she’s in very good company now. Rest In Peace Wanda
