“ Martha and children, no one will miss Weldon as much as you all but all of his friends will miss him also. He was an easy man to love and his big, wide smile will be one of my special memories. One of the most positive and upbeat friends of everyone who knew him. Weldon loved his family, he Loved his Lord and his church.

I agree with George. He always smiled at Buzz and I coming out of church service, shook Buzz' hand and I got the hug. He would stand and talk to us and we so loved and enjoyed these precious moments. Blessings for Martha and family. Wished I could be with you but I'm not able to leave my Mom alone much. Love to you Martha.
