“ *Mr. Sanders was my former father in law. Even though we didn't always see eye to eye; I can say with certainty he was a good man, an honest man and a hard worker. I think of his smile and his laugh. He was the grandfather sweet kind and soft spoken that my children could have ever had. He would dress up and play with clothes pins with my daughter in the floor at their home. He loved her and she loved him. I am sad for the family and my children in his passing.*
